

附件四

修正規定	現行規定	說明
 The image shows a template for an AED certification sign. It has a red top half with the text 'AED' and a heart symbol containing a lightning bolt. The bottom half is white with the text 'CPR + AED' in bold. Below this, it says '認證機構名稱' (Certification Institution Name). Then, it states: '本場所設有AED(自動體外心臟電擊器)' (This location has an AED), '本場所70%以上員工已接受CPR+AED' (More than 70% of the staff in this location have received CPR+AED training), and '(心肺復甦術加自動體外心臟電擊去顫器)訓練' (CPR+AED training). At the bottom, there are two circles for stamps, labeled '衛生福利部' (Ministry of Health and Welfare) and '衛生局' (Health Bureau). The very bottom line says '中華民國 年 月 日認證' (Certified on the day of month year of the Republic of China).	 This is an identical copy of the template shown in the '修正規定' column, representing the current regulation.	無修正。
